
NEW SUBMISSION DEADLINES: June 5th->Main tracks & June 26th->Symposia Papers

1st BRICS Countries Congress on Computational Intelligence (BRICS-CCI)

11th Brazilian Congress on Computational Intelligence (CBIC 2013)

Recife ("Porto de Galinhas beach"), Brazil.

September 8th-11th, 2013

<http://brics-cci.org>

Final Call for Papers

The Brazilian Computational Intelligent Society, associated with the Russian, Chinese, Indian and South African societies/communities on AI / CI, with the technical co-sponsorship of IEEE-CIS, INNS and some financial support of ACM are putting together this most interesting Congress to be held at Brazil's top beach ('Porto de Galinhas').

*** MAIN TRACKS (of the sister conferences):

- 1) Neural and Learning Systems;
- 2) Fuzzy and Stochastic Modeling; and,
- 3) Evolutionary and Swarm Computing.

*** CO-LOCATED SYMPOSIA (alongside main tracks of the two conferences):

- (i) CI in Bioinformatics (CIBS)
- (ii) Complex Systems (CompSysS)

- (iii) Social Simulation (SocSimS)
- (iv) CI Applications in Defense Systems (CIDefS)
- (v) CI Applications in Industry (CIAppIndS)
- (vi) CI/AI Theses and Dissertations Competition (CI/AI TDC)
- (vii) CI Algorithms Competition (CIAC)
- (viii) BRICS*CCI & CBIC Schools on CI (SCI & EBIC)

*** Accepted and presented papers may be published in the final technical program, and may be indexed in IEEE Xplore, subject to final approval by the Conference Program & Publication Committees

*** BEST PAPER PUBLICATION (in *10* special issues of international journals):

- International Journal of Neural Systems (IJNS)
- Integrated Computer*Aided Engineering (ICAE)
- International Journal of Swarm Intelligence Research (IJSIR)
- International Journal of Natural Computing Research (IJNCR)
- International Journal of Machine Learning and Cybernetics (IJMLC)
- International Journal of Computational Intelligence & Applications (IJCIA)
- Learning & NonLinear Models (SBIC Journal)
- Journal of the Brazilian Computer Society (JBICS)
- Paladyn. Journal of Behavioral Robotics (Paladyn)
- BRICS Journal of Computational Intelligence (BRICS-CI) * NEW

*** INTERNATIONAL CONFIRMED DISTINGUISHED GUESTS:

- Alan Kirman (d'Aix Marseille Université, EHESS, France) ** Keynote
- Andries Engelbrecht (U. Pretoria, South Africa)

- Boleslaw Szymanski (Rensselaer Polytechnic, USA) ** Keynote
- Cristovam Buarque (UNB, Brazil) *** Opening Speech
- Derong Liu (University Illinois, USA)
- Fernando vonZuben (Unicamp, Brazil)
- Ganesh Kumar Venayagamoorthy (Clemson University, USA)
- Hani Hagrass (University Essex, England)
- Hojjat Adeli (Ohio State University, USA) * Keynote & Honorary Chair
- Igor Aleksander (Imperial College, England) * Keynote & Honorary Chair
- Jaime Sichman (USP, Brazil) ** Keynote speaker
- José Príncipe (University of Florida, USA) * Keynote & Honorary Chair
- Marco Dorigo (U. Libre de Bruxelles, Belgium) * Keynote & Honorary Chair
- Ronald Yager (Iona College, USA)
- Russell Eberhart (Purdue University, USA) * Keynote & Honorary Chair
- Sanaz Mostaghim (KIT, Germany)
- Snehashish Chkraverty (NIT, India)
- Swagatam Das (ISI, India)
- Xin Yao (University of Birminham, England)
- Yaser Abu-Mostafa (Caltech, USA) ** Keynote speaker
- Yuhui Shi (U. Jiaotong-Liverpool, China)

*** Students are very welcome! There will be two competitions:

- Theses & Dissertations: submission deadline is *** JUNE 26th
- CI Algorithms: submission deadline is *** JULY 31st

*** OTHER HIGHLIGHTS:

- 4 Panels for discussions (Including "Trial of AI");

- Awards for Outstanding people;
- Awards for Best papers;
- Many Thematic Meetings on CI & BRICS;
- Busy Cultural Agenda;
- Family & Environment friendly Congress;
- Sports Activities (Soccer and Tennis competitions);
- Touristic Activities (Sightseeing, Scuba classes etc);

*** Thanks for forwarding this to your network of collaborators ***

45 universities and 90 people contributing with this pioneering event!

*** GENERAL JOINT-CHAIRS of BRICS-CCI & CBIC 2013:

(B) Prof. Fernando Buarque (University of Pernambuco, Brazil)

(R) Prof. Ildar Batyrshin (Moscow Power Energy Institute, Russia)

(I) Prof. Sankar Pal (Indian Statistical Institute, India)

(C) Prof. Ying Tan (Peking University, China)

(S) Prof. Tshilidzi Marwala (University of Johannesburg, South Africa)

Complete list of organizers, check: <http://brics-cci.org/organizers/>

We are waiting for you in the stunning Porto de Galinhas beach!
