**e-mail: sosnin@ulstu.ru
is@ulstu.ru**

Due to a number of requests, we have
extended the deadline for the
proposal submissions and acceptance
notifications.

The Ministry of Education and Science of the Russian Federation,
Russian Association of Artificial Intelligence,
Ulyanovsk State Technical University (Russia),
Darmstadt University of Applied Science (Germany),
Krefeld University of Applied Science (Germany),
Varna Technical University (Bulgaria),
Brest State Technical University (Belarus)
welcome You and invite for participation in the

10TH INTERNATIONAL CONFERENCE ON INTERACTIVE SYSTEMS: PROBLEMS OF HUMAN-COMPUTER INTERACTION

ULYANOVSK STATE TECHNICAL UNIVERSITY
SEVERNY VENETZ 32, ULYANOVSK, RUSSIA, 432027
SEPTEMBER 24-27, 2013

TOPICS:

It is supposed to discuss the state of arts and perspectives of
developments of methods and means of human-computer
interaction. Particular attention will be paid to:

- 1.Theory and practice of artificial intelligence;*
- 2.Artificial intelligence Systems;*
- 3.Human-Computer Interaction;*
- 4.Cognitive graphics and Multi-Media;*
- 5.Applied Intelligent Systems;*
- 6.CAD/CAM Systems;*
- 7.Decision-Making Systems;*
- 8.Fuzzy Computing and Neural networks Systems;*
- 9.Simulation reasoning and applied linguistic.*

and other directions of the theory and practice of interactive systems.

SPECIAL STUDENTS' SESSION on relative topics

New deadlines:

Full paper	June 30th, 2013 July 31, 2013
Proposal submissions	July 31, 2013
Acceptance notification	July 30th, 2013 August 05, 2013
Final paper submission	August 20th, 2013
Payment	August 20th, 2013

Proceedings:

- Short papers no more than 4 pages and Long papers no less than 4 pages.
- Short papers and Long papers are accepted **ONLY** in English by e-mail **is@ulstu.ru**.
- All the papers should be composed according to the rules from **<http://conf-is.ulstu.ru>**, **<http://conf-is.ulstu.ru/en/node/12>**
- Proceedings will be published (with ISBN) till the beginning of the Conference .

Conference fees:

1. The conference fees consist of the cost of the Proceedings (for short and long papers) without accommodation and meals.
2. The cost of one page equals to **10 Euro** (and 5 Euro for students).

Registration:

- All the participants should register on the site **<http://conf-is.ulstu.ru>**. You can get the registration form and additional information there.

During the conference there will be organized presentation of the software with reward of the best products.

Important!

1. It is available to participate in the Conference **REMOTEDLY** (If you could not come directly).
